

BIBLIOGRAPHY (Robert Cook)

SECTION 1: VETERINARY PUBLICATIONS

- 1. Cook, W.R (1962):. Clinical observations on the equine soft palate. *British Equine Veterinary Association Bulletin*, 1:5-9.
• -----
- 2. Cook, W.R. and Rossdale, P.D.(1963): The syndrome of “broken wind” in the horse. *Proceedings Royal Society of Medicine*, 11:971-977
• -----
- 3. Cook, W.R.(1964): A routine for the clinical examination of the nasal chambers and nasopharynx in the dog. *Veterinary Record*, 76:859-862.
• -----
- 4. Cook, W.R (1965):. Observations on the upper respiratory tract of the dog and cat. *Journal of Small Animal Practice*, 5:309-329,
- 5. Cook, W.R.(1965): The diagnosis of respiratory unsoundness in the horse. *Veterinary Record*, 77:516-528
• -----
- 6. Cook, W.R.(1966): Aetiology of otitis externa in the dog. *Journal of Small Animal Practice*, 6:453-456
- 7. Cook, W.R.(1965/66): Dental surgery in the horse. *British Equine Veterinary Association Bulletin*, 1:11-17
- 8. Cook, W.R.(1966): Observations on the aetiology of epistaxis and cranial nerve paralysis in the horse. *Veterinary Record*, 78:396-406.
- 9. Cook, W.R.(1966): Clinical observations on the anatomy and physiology of the equine upper respiratory tract. *Veterinary Record*, 79:440-446
• -----
- 10. Cook, W.R.(1968): The clinical features of guttural pouch mycosis in the horse. *Veterinary Record*, 83:336-345, 1968.
- 11. Cook, W.R., Campbell, R.S.F. and Dawson, C.(1968): The pathology and aetiology of guttural pouch mycosis in the horse. *Veterinary Record*, 83:422-428
- 12. Cook, W.R. and Tompsett, D.H.(1968): Anatomical models prepared by corrosion casting. *Medical and Biological Illustration*, 18:183-188
• -----
- 13. Cook, W.R.(1970): Instrument specifications for endoscopy of the equine upper respiratory tract and eustachian tube diverticulum. *Veterinary Record*, 87:429-437
- 14. Cook, W.R.(1970): A comparison of idiopathic laryngeal paralysis in man and horse. *Journal of Laryngology and Otology*, 84:819-835
- 15. Cook, W.R.(1970): Procedure and technique for endoscopy of the equine respiratory tract and eustachian tube diverticulum. *Equine Veterinary Journal*, 2:137-152
- 16. Cook, W.R.(1970): Skeletal radiology of the equine head. *Journal of American Veterinary Radiology*, 11:35-55
• -----

- 17. Cook, W.R (1971):. Diseases of the ear, nose and throat in the horse: Part I: The ear. *Veterinary Annual*, 12:12-43, Bristol, John Wright
- -----
- 18. Palmer, A.C., Blakemore, W.F., Cook, W.R., Platt, H. and Whitwell, K.(1973): Cerebellar hypoplasia and degeneration in the young Arab horse: Clinical and neuropathological features. *Veterinary Record*, 93:62-66
- 19. Cook, W.R.(1973): The auditory tube diverticulum (guttural pouch) in the horse: Its radiographic examination. *Journal of American Veterinary Radiology*, 14:51-71
- 20. Cook, W.R.(1973): Diarrhoea in the horse associated with stress and tetracycline therapy. *Veterinary Record*, 93:15-16
- -----
- 21. Cook, W.R.(1974): Some observations on diseases of the ear, nose and throat in the horse and endoscopy using a flexible fibroptic endoscope. *Veterinary Record*, 94:533-541
- 22. Cook, W.R.(1974): Epistaxis in the racehorse. *Equine Veterinary Journal*, 5:45-58
- 23. Cook, W.R. and Littlewort, M.C.G.(1974): Progressive haematoma of the ethmoid region in the horse. *Equine Veterinary Journal*, 6:101-108
- -----
- 24. Cook, W.R.(1975): Hereditary diseases. *Proceedings of the International Symposium on Genetics and Horse-Breeding*, Royal Dublin Society
- -----
- 25. Cook, W.R.(1976): Chronic bronchitis and alveolar emphysema in the horse. *Veterinary Record*, 99:448-451
- 26. Cook, W.R.(1976): Hereditary diseases and defects in the horse. *Proceedings of the British Equine Veterinary Association Liaison Meeting with Horse and Other Breed Societies*, May, 1976, London.
- -----
- 27. Cook, W.R.(1977): Surgical repair of cleft soft palate in the horse. *Veterinary Record*, 100:326
- 28. Cook, W.R.(1977): Chronic pulmonary disease in horses. *Veterinary Record*, 101:214
- -----
- 29. Cook W.R. and Chandler, N.(1978):. Sternothyrohyoid myectomy in the treatment of soft palate problems. Abstract: *Proceedings of the British Equine Veterinary Association Congress*, September, p40
- 30. Cook, W.R.(1978): An ear for music. *Veterinary Record*, 39-41
- 31. Cook, W.R.(1978): The diagnosis of respiratory disease in the horse: Clinical guidelines. *Proceedings of the First Illinois Respiratory Symposium*, p. 39-45
- -----
- 32. Cook, W.R.(1979): Headshaking in the horse, Part I: Description of the syndrome. *Equine Practice*, 1(5):9-17
- 33. Cook, W.R.(1979): Headshaking in the horse, Part II: History and management tests. *Equine Practice*, 1(6):36-39
- -----
- 34. Cook, W.R.(1980): Headshaking in the horse, Part III: Diagnostic tests. *Equine*

Practice, 2(1):31-40

- 35. Cook, W.R. (1980): Headshaking in the horse, Part IV: Special diagnostic features. *Equine Practice*, 2(2):7-15, 1980.
- 36. Greet, T.R.C., Jeffcott, L.B., Whitwell, Katherine E. and Cook, W.R.(1980): The slap test for laryngeal adductory function in horses with suspected cervical spinal cord damage. *Equine Veterinary Journal*, 12(3):127-131
- -----
- 37. Cook, W.R. (1981): Some observations on form and function of the equine upper airway in health and disease, Part I: The pharynx. *Proceedings of the 27th Annual Convention of the American Association of Equine Practitioners*, p. 355-392, Nov.-Dec.
- 38. Cook, W.R.(1981): Some observations on form and function of the equine airway in health and disease, Part II: The larynx. *Proceedings of the 27th Annual Convention of the American Association of Equine Practitioners*, 393-452, Nov.-Dec
- 39. Duckett, W.M., Baum, J.L. and Cook, W.R.(1981): Bronchial foreign body in a horse. *Equine Practice*
- -----
- 40. Cook, W.R.(1982): The biomechanics of intermittent suffocation at exercise in the horse. *Der Praktische Tierarzt*, 4:288-294.
- 41. Cook, W.R.(1982): Etiology of exercise-induced pulmonary hemorrhage in the horse. *Journal American Veterinary Medical Association*, October
- -----
- 42. Colles, C.M. and Cook, W.R (1983).: Carotid and cerebral angiography in the horse. *Veterinary Record*, 113:483-489
- -----
- 43. Jann, H.W. and Cook, W.R. (1985): Transendoscopic electrosurgery for epiglottal entrapment in the horse. *Journal of the American Veterinary Association*, 187:484-492
- -----
- 44. Cook, W.R.(1986): Diseases of the auditory tube diverticulum in the horse. In: *Current Therapy in Equine Medicine, 2nd edition*, Robinson, E. (ed.), W.B. Saunders Co., p.612-618
- -----

SECTION 3: ARTICLES ABOUT THE BIT AND BITLESS EQUITATION FROM INDEPENDENT AUTHORS,

Many journalists and some veterinarians have referred to my research on the bit or commented on the same topic in veterinary journals, horse industry journals, and the national press. A partial listing of these articles is given below. Articles written by veterinarians, behaviorists and other science-trained authors are highlighted in yellow:

1. Bishop, J.E.(1988): From the horse's mouth comes a tip at the races. Lab Notes in *The Wall Street Journal*, November 25
2. Duke, J.(1988): Researcher: Horses that breathe easier win races. *Lexington Herald-Leader*, December 4
3. Jennemann, J.(1988): New measure for success. *Thoroughbred Times*, 4: p25-26, December 23

4. Biles, D.(1988): Problems of the throat. *The Blood Horse*. December 24 p7342-7345

5. Engel D (1989): On the other hand, knowledge does exist. *The Thoroughbred Information Agency*, 14: #1, p6, January 27
6. Jones, W.E.(1989): Dr Robert Cook on laryngeal neuropathy. *Equine Veterinary Data*, 10: #3. February 15
7. Jones W.E.(1989): Laryngeal paralysis. *Equine Sports Medicine News*, 8: #4. April
8. Anon (1989): "Bleeding" may be caused by voice box paralysis. *The Chronicle of the Horse*. July 21
9. Kelley, L.J.(1989): Quantifying the airflow factor: Does recurrent laryngeal neuropathy limit athletic performance? *Modern Horse Breeding*. 6: p13- July/August
10. Holden, C.(1989): Cleaning up Thoroughbred stock. *Science*, 252: p34
11. Jones, W.E.(1989): Laryngeal paralysis. *Horse Care*. September/October p28-31
12. "Totaliser" (1989): When the black swan whistled. *Veterinary Record*, 125: November 11

13. Freeman, K.(1991): Through the generations: Researcher uses computer data base to gather Thoroughbred pedigrees for genetic analysis. *Equus*. December
14. Meerdink, R.(1991): Going to the root of 'Mr Nickerson's' death. *Thoroughbred Times*, March 8

15. Ranson, C.(1992): Breeders and the bleeders. *The Blood Horse*
16. Kirk, N.W.(1992): Looking at 20 generations. *Thoroughbred Times*, 8: p15. July 10
17. Anon (1992): What makes horses roar? *Equus*, June.
18. Mitroff, B.A.(1992): The competitive edge: Dr Robert Cook provides a method for grading young horses according to their racing potential. *Racing Northeast*, June
19. Anon (1992): New diagnostic test developed for recurrent laryngeal neuropathy. *Veterinary Product News*. 4; #4. May/June
20. Bixler, T.(1992): Researcher develops new technique to grade equine neurological disease. *DVM* July
21. Vines, Gail (1992): Winning streak for sheiks. *New Scientist*. 19/26 December

22. Murphy, H.(1993): The air conditioned horse. *Thoroughbred Times*. May 28
23. Colby, J.(1993): Dr.W.R.Cook and the electrolaryngograph. *Illinois Racing News*. August, p24-27.
24. Silveus, M.(1993): A diagnostic slap on the back. *Equus*, December

25. Biles, D.(1994): Testing for RLN. *The Blood Horse*. January 8
26. Kreitler, B.(1994): Breeding for a purpose. *Horseman's Yankee Pedlar*. February

27. Kreitler, B.(1995): Roaring: It's about oxygen. *Thoroughbred Times*, January 14

28. Kelley, Brent.(1997): EIPH: What we know about bleeding. *Equine Athlete* Vol

10, 21-27

29. Sellnow Les.(1997): Exercise-induced pulmonary hemorrhage. *The Horse*. p19-26 September

30. Bonner, John.(1998): Changing Tack; horses may prefer bridles with a bit missing. *New Scientist*. 4 July, p16.

31. Dishington, Heather.(1998): Spirit bridle: revolution or gimmick? *The Australian Arabian Horse News*. September, p 55

32. Schuelein, Steve.(1998): New bitless bridle touted to California trainers. *Thoroughbred Times* November 28, p71

33. Sykes, Melissa F.(1999): Bitless Control *The Backstretch*. January/February p 21
